

NOVUM Standard Software Solutions for Insurances

Simply digital, secure & compliant

Winner of DLA 2016

The Digital Leader Award is a joint initiative of IDG Communications Media AG and Dimension Data under the auspices of Sigmar Gabriel.

Products & Services

Our V'ger product & service universe comprises easily combinable modules and it is available as a traditional on-premise solution or as a cloud service. Individual adjustments and in-house developments are possible without difficulty.

The right solution

Discover the product & service universe from your individual perspective as:

- CxOs
- Lines of Business Manager
- IT Manager
- Compliance Manager

Winner of the Digital Leader Award 2016 in the category Invent Markets

Michael Kraus (CEO) and Achim Heidebrecht (CTO) at the award ceremony in Berlin on June 29th, 2016

Focus on customer convenience

- Digital End-to-End processes due to efficient automation
- Service availability 24 hours a day, 7 days a week with consistent performance due to automatic scaling in case of increasing numbers of users
- Responsive design supports all devices
- Available worldwide while remaining close to the customer

Rapid time-to-market response

- Products can be implemented in minimal time even without the support of the software provider
- Simple integration into front and back end systems
- With implementation of the product, all necessary processes concerning general and sub ledgers, and claims management are available

Regulatory performance control

- NOVUM products support Data Driven Accounting and Risk Management
- Feature like premium- and claims accounts supports the integration into sub ledger applications
- Assistance during reporting in accordance with Local GAAP, IFRS, Solvency II

Costs

- No investment necessary – you pay only for what you actually use
- Pay-as-you-go: prices per contract and year, cancellable on a monthly basis
- Low cost to fail for introducing new products and new market entries

Secure & Compliant

- Highest data security and compliance are guaranteed, encrypted & sealed
- V'ger cloud services meet the compliance requirements of the German insurance industry
